

L.O.V.E

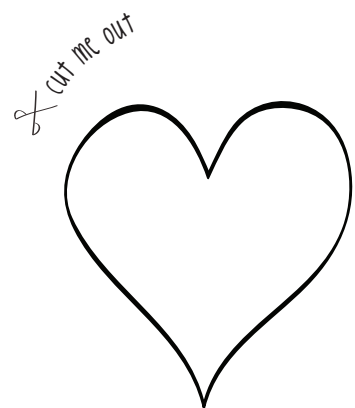

Swits swoo, how cute, a little heart of hair.
So sweet, so cute, send the love down there.

- 1 Cut out the Tri-Hard template from this simple, peasy PDF.
- 2 Pop the shape over your lady garden & carefully trim around it until you get definition between bush and the intended shape.
- 3 Now, apply shaving foam*, hair removal cream** or wax*** to the bits that are gonna be gone and start to craft.
- 4 Wash the area, towel it dry and apply a little moisturiser.

TA-DAH! Hello new, shiny, Slinky Minky.
